

The Latham Foundation Humane Education Grants for 2023

ELIGIBILITY

Please read carefully and make sure you meet these criteria before submitting a proposal.

- Latham grants promote humane education through animal-assisted activities where both animals and people benefit.
- **This year we are giving priority to programs that include services to the military, veterans, first-responders and their families.** This is to recognize and thank our military and emergency workers for their services to others and to our country as described in the first four of the Latham Steps to Humane Education.
- Applicants must be U.S. programs.
- Nonprofit organizations will have priority but grants will not be limited to those who have attained 501(c)(3) status.

Awards will be up to \$10,000 for a one-year grant.

Receiving a grant does not guarantee a renewal, nor does it prohibit one.

The 2023 Latham Grant Program focuses on the first four of the Latham Steps in Humane Education

- Kindness to Animals,
- To Each Other,
- To Other People, and
- To Our Country.

This hierarchy of humane education builds good values and exemplifies the service to our country that our military, first-responders and their families show. Kindness and Respect are vital elements in every step.

Organizations that meet the eligibility requirements described above are encouraged to apply for a Latham Foundation 2023 Grant.

Proposals for the 2023 Latham Grant program will only be accepted on our website from
